NO. 3 COMMITTEE.

Ald. Stringer (Chairman) reported as follows:—

1—Mr. Ironsides has been instructed to report daily to the Chief of Police the number of unlighted lamps through the negligence of the City Gas Company not supplying gas to the lamps

2—That the water-closets in the basement of the market-house be closed

3—Recommend the adoption of the electrician's report herein appended, *re* the London East fire alarms, and on receipt of instructions from the authorities of London East, we be permitted to proceed with the work of setting out the alarms.

4—We refer for the consideration of the Council, the following: (a) Are all rinks to be placed on the same basis? (b) That $40 and not $80 be the license fee.

On motion, the report was taken up clause by clause.

The first and second clauses adopted

On the third clause, Ald. Scarrow said that all that London East wanted was permission to connect its fire alarm system with that of the city. He moved that this Council resolve that such permission be granted. Carried.

Ald. Watson moved, seconded by Ald. Cowan, that the fourth clause be referred back to the committee till the opinion of the City Solicitor be properly obtained on the question.

Ald. Scarrow moved in amendment, seconded by Ald. Stringer, that the clause be struck out

The vote stood a tie. The members siding as follows:—For the amendment,

Yeas—Alds Taylor, Stringer, Scarrow, Hodgins, Christie and Kingston.

Nays—Alds. Watson, Green, O'Meara, Cowan, Brown.

The Chairman voted for the amendment, which was carried.

At this stage a communication was received complaining of the way in which Dundas street, between Waterloo and Colborne street, was watered. Referred to No. 3.

NO. 2 COMMITTEE.

Report submitted by Ald. Taylor (Chairman):—

1—Your Committee report as follows:—That the petition of John Bodkin and others—progress

2—The petition of W. P. R. Street and others be granted, with the addition that the applicants pay the difference between a 6-inch and an 8 inch tile, and that the construction of the drain be under the supervision of the City Engineer, and when the drain is completed to become the property of the city.

3—The petition of Joseph Dudley and others against the construction of a tile drain on Gray street, between Clarence and Wellington, be filed.

4—The petitions of William Mills, Philip Hoskin, and Thos. Isherwood be filed.

5—Applications of B C. McCann on behalf of the base ball club, and T. A. Brown on behalf of the Caledonian Society for the location of grounds, that we have located the grounds.

6—We recommend that the Chamberlain hold parties renting the hall liable for any damages caused by them, and collect the same.

7—We recommend that tenders be called for laying a flag sidewalk between Ridout street and Talbot on south Dundas; and for sewer on King, between Maitland and William; also for grading Maitland street north of the creek.

On the fifth clause, it was decided to hear a deputation representing both interests present.

Mr. B C. McCann said the grounds allotted by the Committee were not fit for base ball. It would take $1,000 to fit

m up, and as the club was not a specu-
ion, but simply a local base ball
ociation, he asked for a suitable ground.
Ir. John Ferguson, on behalf of the
ledonian Society, said the grounds al-
ed then were not large enough. Mr.
W. Jones said also they were not suit
e.
lessrs. Love and Fairgrieves also spoke
favor of granting the petitions.
